Ten years ago...

A
Ah
Feed my hunger!

But it still looks tasty!

!!?
Until that moment...

White haired boy?
Are you alright?

D Damn you!
Cool...
My terror was blown away in an instant. At that moment I thought
I want....
To be like that.
Alright... It's finished!
With wings like those too

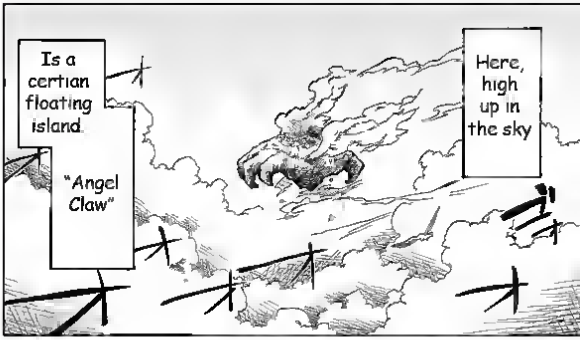
This time I'll fly!
My invention, artificial wings
"Icarus", prototype number 289!
ガシャーン!!
Inventor
Shirou (17)
"Flightless" Clan Descendant

To become the Archangel!
The Archangel
I'm going

ガシャッ
This time I'll definetely soar in the skies

The missian was safe mast importantly
Nero-chan! Laok this way!
The Archangel
Thots
Lard Michael!
Akku is sa coal!
Michael and the athers hove returned!
af purifying the rampoging surface dwelling demans wha ascend ta this world
These are the warriars wha bear the burden
This is the title granted to the greatest angel
I wish I weren t sa bad at these
We still get a good reception every time
Archangel
Michael

That's right
This was another easy win
Probably because you didn't fight at all
Archangel apprentice Akku
It that sa? I rather like it.
Archangel apprentice Nera



Is a certian floating island.
"Angel Claw"
Here, high up in the sky

That is—
!!!
The inhabitants af this island
are all angels.

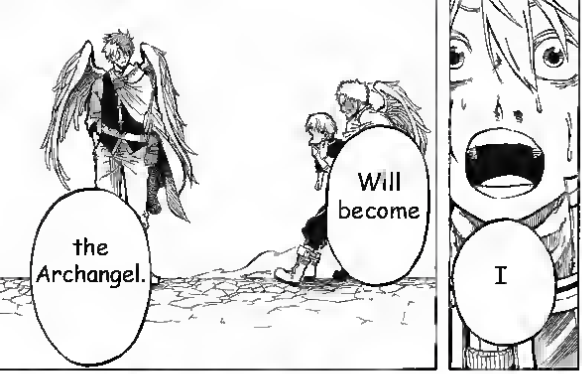
Except for one

I flew that time!
I flew!!
ガば

My invention is almost complete.

Who's this all of a sudden?
Why is that guy falling out of the sky again?

Wow. I made it this far.
Yo.
M-M-M-M-Michael!?
The Flightless Ones.
The one without wings?
Could that guy be...?
Hurry up and get out of the way!
He made something weird again.
Without wings, they're just ordinary humans, right?
That family's child, huh?
Michael!!
Umm,
Hey, outta the way, brat!!
Just a sec.
What's with this sudden intrusion?
Somebody quickly go and move him.

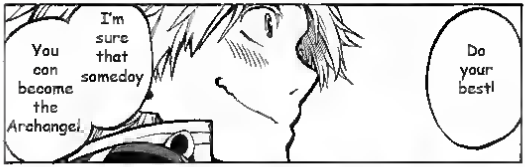


Will become
the Archangel.
I

Someday I want to be just like you, Michael.
With no wings?
Someday I'll be able to fly in the skies.
Even though I don't have wings
The Arch-angel?

...!?
It's fine. Let's talk about it.
Hey! That's rough!
It looks like they're almost finished.
They're called "Icarus"
Right now I'm making artificial wings.

Artificial wings
That's incredible!!
!!
Doesn't that sound great?



You can become the Archangel.
I'm sure that someday
Do your best!

Why are you coddling him?

Mike!!
Please, don't be ridiculous!!!

A wingless guy like this as the Archangel?
It's not that that easy to become the Archangel.
With no wings, maybe you shouldn't even call yourself an angel.
To start with, how are you supposed to fight with such a device?
That's all you need to be able to do.
It's still fine for you to be an inventor.
Because as it is, there are few engineers on the island.
Um... Nano-chan?
Shut up old man!
But I... The Archangel...
The real world isn't such a naive place
Look at the hard reality
チュン
チュン

オオ
オオ

Ah
That hurts
ずーん
What are you doing in a place like this?
?
It's you, isn't it?
The kid who was leaping around earlier
Eh? Uh— I guess?
Who is this...?
If I remember correctly,
You're Shirou, right?
I'm Eru!
Umm... You are...?

Did you come to make fun of me too?
W... what?
Why?
I'm also someone who can't fly.
I was born with only one wing
So, I was a little curious about you
You're the same and can't fly
One wing...
You know, I
always wanted to see you
!?

I always watched from a distance. It was amazing.
You were at it far so many years. But you never gave up hope of flying in the sky.
Up on that cliff, over and over again you would make strange machines that always broke.
Weird.
I would see Wingless Shirou frantically trying to fly.
I always really admired you
Although I had already given up on flying...
Hey
Shirou?
テレテレ
Y... yeah...
Want to be friends, Shirou?
So

It's so cool!!
Why da yau want ta be the Archangel?
Eh?
That's because
I want to be just like that!
I heard that was his first missian, toa!
I saw it happen once
Michael defeating a deman
I dan't have wings
But...
Na matter what anyane said I still wanted to become that
I've langed far it ever since that day

I'll do whotever it tokes!!
Thot's no reoson to give up!

But you're weak point is people's words.
Ha Ha
You're tearing me up
Even if you say "having no wings is no reason to give up", that still takes a lot of guts

It says that the Goddess used special wings to make this island
Wow
It's about the creation of the world and heavens
I've had it since I was a child.

Oh
This?
What's that book?
SKRCLAW

!?
Ehh? That story sounds interesting.
You don't say
Hmm? What was that about the Goddess?
A demon!?
What's it doing in a place like this!?
Eru!!
!!!
!?

Later, brat!

Huh!?

Wha...

I'm taking this one.

Would eating this one be sufficient?

With this, I will attain human form!!

Wait!!!

Damn it!

Just you wait!

Ah! Mika! There it goes!!
Show it no mercy!
I can't believe it made it to the island!
Where did that demon go!?
Damn!
We know that!!!
If we don't save them fast, it's gonna eat them!
Wait, that's...?
But what's that? It caught someone!!
There's that bastard!!!
Hey, Mika! Isn't that girl...!?
!!!
Eru!!

Ha ha ha ha ha!!
Your friend isn't chasing us! How sad!
Well, up in the sky is impossible for someone like that!
As for you...
You only have wings one one side!!
Ahh!
So pitiful, so pitiful!!
Because it's so sad...
I'll just eat it right up! ♡
Such an ugly wing
Shut up!!
Owww!?
You...!!

!!!
AAA!!
I'll just bite you back, then!!!
I can feel it
The blood of the Goddess!
After just one bite, I'm overflowing with power!!
The hell is this!? I thought this angel was deformed
This one's a great catch!!!

!!!
Give back Eru!
Watch it!!
Woah!
Owl
!!!

Don't get in my way!
Fall!!!
!?
Ah...?

ドゴオ!!
Sensei!!
What's the matter!?
Mikel!
Eh?
I fell...
It seems that this is that guy's power
Probably all of us—
Have had our ability to fly stolen by this curse
!!!

Ha
Ha
Ho
Ha
Ha
Ha
Ha
Ha
Ha!
Hah!? What kind of power is that!? Cheater!!
He's right! we can't either!!
I
You become powerless as soon as you approoched me!
I am the first to attack the heavens!!
ズ
That's why I came here to invite in the demons!
This is revenge!
Once, many of us were destroyed by the goddess!!
And then....
I was sent ahead!!
My name is Zero!

We'll devour you all!!!
All of you
Prepare yourselves
White winged losers!!
What kind of stupid Archangel am I!?
This is really pathetic!
There has to be another way...
Don't give up yet!
That's right...
That...
Then you have some way to fly to that bastard!?

Amazing! Perfect human form!
If everyone eats you we'll all be giants! Hahaha!
Now on this island, there are
no angels that can fly
Out of the way, please!!
!!!
That is...

Except for one.
Kyaa!!
!!!

That kid from earlier!
He really flew!!
How's he flying!?
Who's that guy?
I always thought I was alone...
It should get me there!!
It's a good thing that I had one more machine ready!!
Eru!
I'll save you for sure!!
When she said that, it was the first time I had a friend!
I really admired you—
Although I had already given up on flying
She showed me that wasn't true!!

It barely flew at all!!
Huh!?
It's already breaking down!?
!!
It won't reach...
This is...
NEVER GIVE UP!!!
I'll eat you later!!
Hahahaha!! You'll fall just like that!

Eru!!
This guy
Used the explosion to fly higher!!
Tch!

UWAAAAAAA!!!
We're falling
Shirou
I made it! Eru, I came to save-

...!
Don't ask me to save you after you came to save me!!
Eru, do something!!
I didn't plan this far ahead!
W-w-what do we do!?
...!?
!?
Shirou!
Suck my blood!
Damn it!!
We don't have any other choice! Hurry!!
Huh!? But thats
If the same thing happens again
What are you saying?
That demon changed after sucking my blood

Hey...
Isn't that...
That guy is...!
What!? What was that!?
What just happened!?
Shirou
We're flying!
!!
I-it worked!!
I don't understand why, but that appearance is...
What the...!
You! That form is...!!
It was said that her bloodline was carried on somewhere.
The heavens were created by the goddess
That is—

The wings of the Goddess.
Skyclaw!!!
It's been right here this whole time!?

Eh? What?
What is this?
Shirou...
You're going to throw off our balance!!
Wait! Calm down!!
Dude! What is this!?
We're really flying!!
Together, we can fly!!
You! What's with that form?
What is that?
Hey
It smells just like the Goddess' blood!! I'm definetly going to eat you...
It's probably delicious, huh!?

Eru...
You can move without worrying.
Yep. I've got you.
This is
My most important friend!!
Who cares!!

For messing with my friend
I'm gonna punch you into next week!!!

S-sorry for holding you like that!!
That's fine
You came to save me
Thank you
Hey that was amazing!!

Even though you're Flightless! Amazing!
For real!
You beat that thing!
After all this guy
Hey, cut that out!
Can fly too

!?

White haired boy!!

Michael
Ah

Well done!
You were amazing!!
Thank you
You saved my little sister.
Eh?
Little sister?
...?
?
Seriously!?
Whaaaaaaa??

-One year later-
We're leaving any time now
Shirou
Y...
Yes!
Archangel apprentice
Shirou (18)
Icarus Inventor
!!
Today is the first time I've left the island!
That's not new.
Ha ha ha
You got bags under your eyes
You couldn't sleep last night, eh?
about doing this?
Well... Are you really sure
I'm coming along on Michael's demon purification!!
I completed the Icarus instead.
Since that wing vanished...

Geeze. We're not going on a picnic you know?
Got it!
Don't just "Got it!"
Michael's sister
Eru (19)
Yep!!
Why does that girl even want to come?
I don't have wings.
But...
Eh? That's why?
I guess so!
That's cuz I need to keep an eye out for Brother and Shirou!
Oh well. If that's how it is...
At last I'm with friends.
Every Angel Flys
Since I'm the Archangel Apprentice's assistant after all!
